BUY A LOT CHEAP

AND ON EASY TERMS.

We give below a few facts why you

should buy a lot in Brown City:

1. It is a recognized fact that Brown

City is located just far enough from

Pont Huron and other large cities to

become the best town in this part of

Michigan.

2. Because of this, within five years

there will be a largely increased population

and within ten years Main Street will

be lined with solid brick blocks.

3. Desirable locations will soon be as

a premium, and it is better to buy a lot

than put the money into a bank or

securities.

4. If you rent you pay out the price

of a home in five years, are still houseless,

and have nothing to show for rent paid.

5. We offer the most desirable property

in the village at very low figures, easy

payments and long time.

Call at the post office, examine the

plot and get figures.

Brown City's Matt Taepke fires a pitch to the plate during Thursday's game at Capac.

Green Devils best Almont

BROWN CITY — Eric Smiley pitched eight solid innings of baseball April 27.

That was good enough to get the Green Devils a 2-1 Southern Thumb Association win over Almont. That hiked Brown City's record to 4-1 overall and 3-1 in the STA.

Smiley pushed his own record to 3-0 by fanning nine

and walking just one.

Brett VanDrew's two-out single in the sixth inning brought home Matt Sowa with the Green Devils' first run.

With two outs and the bases loaded in the top of the eighth inning, Shannon Jacobs walked to force in Jim Richardson with the winning run.

Hill hurls Devils to victory

CAPAC — On the pitching of freshman Jackie Hill, the Brown City softball team cruised Thursday to a 12-0 Southern Thumb Association win over host Capac.

That raised Brown City's record to 2-4 in the league and 3-5 overall. The Green Devils got their first league win April 27 by a 17-12 score against Almont.

Brown City won that game thanks to 20 hits. They won Thursday thanks to Hill's shutout pitching. She allowed three hits and only three walks.

Hill got help from the hitting of Vickey Nason, Jennifer MacLarty, Kelley Kreiner and Kerry Panduren. Centerfielder Jessica Lee and second baseman Sandy Norris made some key defensive gems too. Jessica Bucklew, Danielle Chambers and MacLarty also played solid defense.

Coach Joe Weaver said he's pleased with the progress of his young team.

"We need to learn that we can compete with anyone, not just the teams lower in the league," he said. "Our young players are maturing fast. I look for us to surprise some teams before the season is over."

Rotarians told about democracy

BROWN CITY — The accomplishments of group democracy were cited Thursday by Lapeer County Commissioner James H. Reilly when he spoke to Brown City Rotarians last Thursday.

Two of these, the District 2 commissioner said, were the Brown City Community Park and the Brown City Area Health Center.

Reilly also commented on \$42 million "correctional facilities" or prisons. He said the state has four of these and some are almost empty. He suggested using ships or barges for prisons.

The commissioner is opposed to a planned \$5 million renovation and expansion of his county's jail.
